Cordially invite you to

- GET WATER AND USE THE BATHROOM BEFORE TAKING YOUR SEAT.
- BE QUIET AS SOON AS THE LIGHTS DIM AND THE PROGRAM BEGINS.
- REMAIN SEATED UNTIL THE PROGRAM IS FINISHED.

The musicians who are performing for you will appreciate your help. You must remember that they are in the same room with you, not in a movie or on TV. If you talk or make other noise, they can hear you. If you get up and leave in the middle of the performance, they can see you. If you do these things, the musicians take their minds off the music and may not be able to perform their best. You also make the performance less enjoyable for people around you.

When a piece is over, clap to let the musicians know you liked what you heard.
